Visits

There can be study visits during the year. Destinations and prices vary but you can expect to pay your own travel costs to participate. In the past, the course has made overseas trips to Paris, Venice Biennale and Berlin. These overseas trips are not compulsory, but we hope all students will participate; costs range from £100-150 for national trips to £450 for European study visits depending on mode of travel and accommodation. Visits can vary from 2 days to 4 days and usually include breakfast. You will need to cover the cost of other meals yourself.
