

## Additional Course Costs

FE Diploma in Art & Design: Foundation Studies – Canterbury, Epsom, Farnham & Rochester	
Equipment/ materials needed	<p>The course will pay for, or subsidise, most of the essential materials used during studio activities such as drawing and in practical workshops.</p> <p>There will however be some costs incurred during your course: for example, we supply a <b>Specialist equipment pack to be purchased from UCA's online store for £110**</b>. <a href="https://store.ucreative.ac.uk">https://store.ucreative.ac.uk</a></p> <p><b>There is also a separate University Materials Charge of £130*</b> (Library, workshops, computers, general studio materials). <a href="https://www.payonline.ucreative.ac.uk/webpayments/Logon.aspx">https://www.payonline.ucreative.ac.uk/webpayments/Logon.aspx</a></p> <p>Students under the age of 19 years at the start of their course must pay this Materials Charge during online enrolment; for students aged over 19 at the start of the course the Materials Charge is included in the course fee.</p>
Equipment/ materials recommended	<p>As you progress through your course and decide which pathway to study you may require further specialist materials and equipment. Many will continue to be provided for free but the cost of others will vary depending on the nature and ambition of your work. There is a very competitively priced shop on campus where you can purchase additional notebooks, art materials, mounting materials, papers, etc. Photocopying and professional quality digital printing (A4 up to large format A0+ sizes) is available through our print bureau at much reduced prices from those available commercially.</p>
Visits	<p>Each year there are a number of local day visits to museums, galleries and locations that play an important part in your study and serve to inform and enrich your studio work and portfolio. The range of visits will vary according to availability of venue and cost of entry fees, etc. <b>Visits are for all students and the cost inclusive of transport is £70**.</b></p> <p>There is also a residential 5-6 day field visit to Amsterdam. This visit provides an opportunity to develop ideas and practical work in a stimulating and dynamic international context and will serve to further enhance your work and portfolio. <b>The cost of the visit to Amsterdam is £360** and includes travel, B&amp;B accommodation and entry to most venues.</b> We offer an alternative UK programme with 2-3 single day visits for those few students unable to travel overseas. <b>The cost of this alternative schedule is £70**.</b></p> <p><b>Your residential visit to Amsterdam (£360)** or the UK alternative visits (£70)** along with your local day visits (£70)** and Specialist Equipment pack (£110)** will need to be purchased from UCA's online store during online enrolment. <a href="https://store.ucreative.ac.uk">https://store.ucreative.ac.uk</a></b></p> <p>We are committed to securing the best value for all visits by planning ahead and will only change the cost if circumstances are beyond our control.</p>
