

## Additional Course Costs

BA (Hons) Ceramics & Glass, Farnham	
Equipment/materials needed	<p>These items are things which you may need, depending on your approach to work and on the projects. Select some to purchase initially, and build up as and when you need them: On your first day please come equipped with the following:</p> <ul style="list-style-type: none"> <li>- General drawing and painting materials / cartridge paper / sketchbook*</li> <li>- Craft Knife or Scalpel</li> <li>- Basic clay modelling tools, sold as packs in art shops, ideally with a cutting wire (cheese wire) included</li> <li>- Masking and Gaffer tape</li> <li>- Retractable metal tape measure</li> <li>- Scissors</li> <li>- An academic diary / notebook</li> <li>- An A5 / A4 sketchbook or plain paper notebook to use as a technical journal</li> <li>- Two passport-sized photographs of yourself</li> <li>- Fairly sturdy shoes. (Pumps, flip-flops, sandals, high heels etc. are not permitted)</li> </ul> <p>Specialist materials costs in years two and three are dependent upon the type and scale of individual work being undertaken.</p> <p>*Note: General Art &amp; Design materials can be obtained from the Campus Art Shop</p>
Equipment/materials recommended	<p>Course costs vary for each student depending on how they develop their projects and the types of materials and processes they choose to work with. We attempt to keep costs as low as possible in the first year. As students pursue their own areas of interest in second and third year, their costs will increase.</p> <p>Previously, third year students have contributed approximately £300.00 each towards the cost of the external graduate show at New Designers, London</p>
Visits	<p>Throughout your course you will be expected to travel to exhibitions related to your projects. You will be given further information regarding these visits during your handbook briefing sessions including and costs which you have to cover yourself. There may be an optional European study visit during Year 1 and/or Year 2. The overseas trip is not compulsory but we do hope all students will be able to participate.</p>
