

Additional Course Costs

BA (Hons) Film Production (3 & 4 year) Farnham	
Equipment/materials needed	<p>In Year 0 and Years 1 and 2, course materials and equipment are provided for productions. There may be additional costs if you choose to film further afield, need particular props or choose to film in a location that charges a fee.</p> <p>As you progress through the course and work with actors then you may also need to pay for their travel, accommodation and food. In the final year of the course the students raise more substantial funds for their graduation films and typically contribute up to £500 towards this.</p>
Equipment/materials recommended	<p>We recommend that you bring at least one 1TB hard drive to back up your work.</p> <p>A laptop (Mac or PC) and a digital stills camera for research purposes are both recommended.</p>
Visits	<p>Visits to galleries, museums and film production studios and facilities can take place as part of a unit of study or for a year group. Advance notice would be given of any associated costs.</p>
