

Additional Course Costs

MFA Photography Farnham	
Equipment/materials needed	<p>Camera of student choice – optional photographic extras (i.e. portable flash and tripod) – these are all borrowable from our stores if you do not want to buy your own.</p> <p>Printing papers: analogue and digital (chemicals are paid for by the University and digital printing costs are minimal).</p> <p>Portable hard drive/or large size pen drive.</p> <p>Portfolio at end of the course + exhibition at end of the course that may include printing and framing or production of a book dummy.</p>
Equipment/materials recommended	Laptop computer.
Visits	<p>The course makes several visits to London during the year at roughly £15 per trip for fares, etc.</p> <p>Other field trips to photography festivals or project exchanges are all optional and we have been to Paris, Arles and India. A trip to Paris is likely to cost in the region of £300. Our trips to India have been a month long with free food and accommodation; travel, insurance and visas have to be paid for (approx. £700).</p>
