Additional Course Costs

<p>Equipment/materials recommended</p>	<p>You are not required to own your own computer for this course as we have access to extensive Mac suites but you may wish to purchase your own. You may choose a Mac or a PC, whichever you prefer to use. Most of the computers on the department are Macs but there are also some PCs and it is largely down to personal choice which one you decide to invest in.</p> <p>Students may opt to purchase some key texts (all key texts are available from the University Library however there may be high demand for some).</p>
<p>Visits</p>	<p>You are likely to want to visit London and other locations to undertake research. Such visits may incur costs, in particular for travel, which you are expected to cover.</p>
