The allocation of rooms is carried out randomly. The University cannot guarantee to offer students their first choice with regard to the location or size of the room allocated. Please consider the number of rooms available for each room type when applying for accommodation. If you are offered a place in University accommodation you will be asked for an advance payment of £300.00. You should deduct this from the first payment of your Residence Fees.

Residence fees must be paid in full at the beginning of the Period of Residence or by the 'due dates'. Failure to make the payment by the due date could result in a £15 late payment charge.
